Your payday just got more rewarding

Introducing NWM My Rewards - a personalised loyalty programme built around the things contractors actually value.

Earn points, unlock rewards and enjoy benefits when qualifying payroll is processed through NWM.

Rewards built around you

Tell us what you enjoy - your favourite team, meals out, music, sport, entertainment, family days and experiences - and we will use your preferences to shape rewards you are more likely to value.

If you are an active NWM contractor, you will be automatically enrolled, so is nothing complicated to set up.

How it works

Simple steps. Real rewards.

- ✔ Qualifying payroll is processed through NWM.
- ✔ You earn points.
- ✔ You reach loyalty milestones.
- ✔ You can refer colleagues and earn bonus rewards.
- ✔ You tell us what rewards you would really value.
- ✔ You redeem points for rewards, contributions and selected offers.

Every qualifying payroll gives you the opportunity to build your rewards balance.

Earn points when qualifying payroll is processed

You can also boost your balance through loyalty milestones, referral rewards, welcome bonuses and selected promotional campaigns.

Rewards you will actually want

Use your points towards rewards, offers and experiences designed around what contractors actually enjoy.

Sport

Team shirts, tickets and sports event contributions.

Entertainment

Concerts, theatre, cinema and comedy nights.

Food and drink

Meals out, restaurant contributions and coffee rewards.

Family and lifestyle

Family days out, experience days and leisure activities.

Everyday rewards

Shopping vouchers, gift cards and retail rewards.

Payroll rewards

Margin-free payroll week, subject to eligibility.

For higher-value rewards, your points may be used as a contribution towards the reward rather than covering the full cost.

Create your My Rewards wishlist

Tell us what you would like to be rewarded with. Your preferences help us offer more relevant rewards and campaigns.

-  Your favourite football, rugby, cricket or sports team
-  Events you would like to attend
-  Restaurants, meals out and food experiences you enjoy
-  Concerts, theatre, cinema or comedy nights
-  Family days, lifestyle rewards and experiences
-  Whether you would value an NWM margin-free payroll week

Refer a colleague. Earn even more.

Know someone looking for a trusted umbrella payroll provider?

Introduce them to NWM and you could earn bonus reward points when they join and complete their first qualifying payroll. You may also receive additional points if they remain active and complete the required qualifying payroll period.

Even better, your referred colleague could receive welcome points after completing their first qualifying payroll through NWM.

Loyalty has its benefits

NWM My Rewards recognises contractors who choose to stay with us. Look out for milestone bonuses as your relationship with NWM grows.
